

Before and After School Supervision Parent Notification

UNIVERSITY PARK PRIMARY SCHOOL

Student safety at University Park Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised from 8:30am to 8:50am. Staff will open gates at 8:30am, and will monitor areas 1, 2 and 3. Students on the oval and oval playground are the responsibility of parents and will not be supervised by school staff.

After school: School grounds are supervised until 3:30pm, from the front and back gates.

Students on school grounds outside these times will **not** be supervised (unless they are attending Their Care and are therefore under the direct care and a supervision of Their Care attendants).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact Theircare on 1300 072 410 or refer to www.theircare.com.au for more information about the before and after school care facilities available to our school community.

For a copy of our school's Yard Duty and Supervision Policy, please check our website or contact the school office. This policy includes University Park Primary School's student supervision arrangements across the school day, including before and after school.
